Exploring Highest Potential

International Internship Program(IIP) as a part of curriculum

Purpose: to provide international experience with entrepreneurial & Management Skills to enhance their employability in this cooperative world.

BIMS is 1st institute in Gujarat to provide a global interface program to its students through its International Internship Program (IIP).

Students work in Global Projects with global teams in these countries which provide them experience in the areas of Project Management, Entrepreneurship, Corporate Social Responsibility (CSR) & Education.

More than 12 Certification

If you are an expert, a certification is proof. If you are not yet an expert, the path you must take to become certified will provide you with the tools to become one. Hence certification is what you need to prove your worth. You may be real good, but how will the world know that? Thus BIMS provides you with more than 12 Added Certifications along with Your Degree in 2 year

PGPLE / GPLE : Through this Uniquely developed Modules, Students get to do Project Orientation Studies. While/during studies students are required to participant in One Big Project. That allows them to easily swift in Corporate World.

Business Badsaah: It is a sincere effort by the students to prove their mettle to the world wherein students are to set up a of for about a week which helps them bring out the importance of the certificate.

Event Management: The event manager plans, executes an event with his team of professionals who are expert in various aspect of organizing an event from behind-the-scenes. An event management certification is hence a proof of one's management skills. Students get to do as many as 4 Corporate events during their studies, all focusing on different learning areas.

Leaning @ IIP:

1. International work experience
2. Opportunity to get placements abroad
3. Wider future options
